

Files created by the Murray-Darling Basin Authority
January 01, 2009 to June 30, 2009

Record Number	Title
C09/1	Finance and Administration - Contract Management - MD1224 Nature, frequency and impact of Gambusia aggression on native fish
C09/2	Finance and Administration - Contract Management - MD1235 Review of the Living Murray Program
C09/3	Finance and Administration - Contract Management - MD1205 Understanding trends, drivers and dynamics of water markets within the Murray Darling Basin Commission MDBC - A scoping study
P2009/0001	Finance and Administration - Tendering - Project - Verify water recovered under the Living Murray Initiative and its capacity to protect Icon Sites along the river
C09/4	Finance and Administration - Contract Management - MD1132 Barmah-Millewa and Gunbower and Koondrook-Perricoota Indigenous Facilitators under The Living Murray Indigenous Partnerships Project
C09/5	Finance and Administration - Contract Management - MD1183 TLM EWMP Projects VIC
C09/6	Finance and Administration - Contract Management - MD1058 Assessment of the Vaki Riverwatcher Infrared Fish Counter for monitoring performance of the Murray River Fishways
C09/7	Finance and Administration - Contract Management - MD1237 Development of knowledge product on root zone drainage under irrigated agriculture in the Mallee region of the lower Murray Darling Basin
C09/9	Finance and Administration - Contract Management - MD1232 MDB - Community engagement project
C09/10	Finance and Administration - Contract Management - MD1221 RGA On-farm Water Efficiency Round 2
C09/11	Finance and Administration - Contract Management - MD1234 Review of Asset Register and Revaluation of River Murray Water Assets as at 30 June 2009

C09/12 Finance and Administration - Contract Management - MD1236 Provision of professional services
Finance and Administration - Contract Management - MD1238 Independent review of imbalances in

C09/13 water use under the Murray-Darling Basin Agreement

E2009/0017 RIVER MURRAY - Asset Management - Salt Interception - Liaison with Stakeholders

E2009/0021 RIVER MURRAY - Asset Management - Barrages - Goolwa

C09/14 Finance and Administration - Contract Management - MD756 Integrated Pest Management

C09/15 Finance and Administration - Contract Management - MD943 Disconnection of wetlands SA
Finance and Administration - Contract Management - MD1225 Koondrook Ecological Risk

C09/16 Assessment

C09/17 Finance and Administration - Contract Management - MD1148 IRAP Gateway certification and
security documentation

C09/18 Finance and Administration - Contract Management - MD1008 Managing selected Victorian Icon
Sites under the Living Murray Initiative

E2009/0026 NATURAL RESOURCE MANAGEMENT - Basin Program Implementation - Native Fish Strategy -
Research and Adoption Projects - MD1178 - Hotspots Scoping Study

C09/19 Finance and Administration - Contract Management - MD1007 Monitoring selected Victorian Icon
Sites under the Living Murray Initiative

C09/20 Finance and Administration - Contract Management - MD1228 Continuation of the current long-term
biological monitoring of the river health below Dartmouth Dam and the additional monitoring sites in
the Upper Mitta Mitta Catchment

C09/21 Finance and Administration - Contract Management - MD1229 An ecological assessment of the
effects of environmental water on the Gunbower Wetlands ICON site using macroinvertebrates

C09/22 Finance and Administration - Contract Management - MD338 State Coordination of the *** **
*** ** - VIC

C09/23 Finance and Administration - Contract Management - MD1100 Development and implementation of
methods to consistently assess risks to shared water resources in the Murray-Darling Basin

C09/24 Finance and Administration - Contract Management - MD1239 Basin Plan concept statement: input
from leading science writer
